**STIPULATION TO EXTEND DISCOVERY  
AND CASE MANAGEMENT ORDER DATES**

NOW COMES Plaintiff and Defendants, through counsel, who stipulate to the following:

The parties, having discussed this matter on December 28, 2023, and January 23, 2024, stipulate that the dates set forth in this Court's Case Management Order, ECF No. 15, PageID.187-196, should be extended by three months. The parties require three months of additional discovery, given that (1) there have been delays in the responses to discovery requests that have slowed the progression of this case; (2) an amended pleading that added new parties was filed on January, 18, 2024, with an answer due on or before February 8, 2024; and (3) scheduling issues required the parties to plan the first round of depositions to take place during the second week of February, 2024. The parties agree that the Case

Management Order shall remain in full effect, with the proviso that dates shall be extended accordingly. The parties agree upon the following new dates:

Fact Discovery Cutoff:	May 24, 2024
